# Zeigler's Come & Git It Vittles Menu

A few years ago Al & MaryAnn Zeigler were known simply for holding the best barbecues on their block. Their BBQ was admired by family, friends, neighbors, and anyone else tempted into their backyard by the smell of their smoky delicacies.

These days, you don't have to crash the party to eat hearty. That's because Al & MaryAnn put their passion for barbecue perfection into business. At Zeigler's, their Award winning BBQ comes in a moray of saucy servings.

Whether it be dinner for the family, one of their popular pick-up party packs, or having them host your gathering for 2000 of your closest friends there is a choice for every appetite! They can make your event a hit by cooking onsite with their portable kitchen and BBQ Pit trailer. It's perfect for family functions, business luncheons, grand openings or graduations.

But what's really important at Zeigler's is **you**. From your first experience with the Zeigler Crew, you're family and you will soon see what keeps their regulars coming back. Not only do they offer fine service, but use only the finest ingredients. The best quality meats with the very best sauces and spices, and delicious home-style side dishes that bring true country taste to the community.
